Parental Statement of Support

Fresta Valley Christian School is an independent Christian school with the purpose of offering quality education from a Christian perspective.

We promise to commit our support to the board, administration, faculty, and staff of Fresta Valley Christian School. We place our confidence in the school, its philosophy and mission, and promise to promote unity in our school family through involvement in school meetings and student events, sharing open, loving and honest communications between home and school, offering fellowship and encouragement to all of us as partners in the task of this ministry, and nurturing love, prayer, and support so our children can have the best possible environment to learn and grow, and to become all that God created them to be.

If we become dissatisfied with the school in any respect, we will seek to resolve the matter with the person or persons involved rather than begin to spread gossip or hold a negative attitude in our hearts. We agree that the Biblical mandate of Matthew 18:15-17 be followed:

Moreover if thy brother shall trespass against thee, go and tell him his fault between thee and him alone: if he shall hear thee, thou hast gained thy brother. But if he will not hear thee, then take with thee one or two more, that in the mouth of two or three witnesses every word may be established. And if he shall neglect to hear them, tell it unto the church: but if he neglects to hear the church, let him be unto thee as an heathen man and a publican.

Matthew 18:15-17 KJV

We will cooperate fully in the educational functions of Fresta Valley Christian School, doing our best to make Christian education effective in the life of each of our children, that he or she may love and serve the Lord Jesus Christ all of his or her life.

We will pay all our financial obligations to FVCS on or before the date due. If we are ever unable to pay on time, we will notify the financial office in advance, (a) giving a responsible explanation of the delay, and (b) stating when the payment can be made.

We will attend meetings and parent functions of the school regularly, even though we may not be able to achieve perfect attendance.

We will seek the advancement of Fresta Valley in all areas, spiritually, academically, and physically.
